

OEM and Aftermarket Hydraulic Replacement Parts

Extensive Inventory and Multiple Options

Everything You Need, Right When You Need It

At Hydraulex, we keep an extensive inventory of hydraulic replacement (spare) parts stocked across all of our locations, ready for immediate delivery. Whether you're in need of replacement piston, vane or gear parts for an industrial or mobile application - we have you covered.

Our inventory consists of both OEM parts and our aftermarket brand parts, Genuine Metaris, that support an impressive list of manufacturers' units. When it comes to your hydraulic replacement part needs, we're sure to have everything you need, right when you need it.

- Extensive inventory of millions of parts for piston, vane and gear units
- Current and obsolete parts available
- Stock OEM and OEM spec New Aftermarket parts
- Aftermarket parts are inspected and tested
- Aftermarket options provide a substantial cost savings over OEM
- Large inventory allows for immediate availability and quick delivery; minimizing downtime
- Service a large dealer network domestically and internationally with our trusted line of quality interchangeable replacement parts

- Multiple sizes and styles stocked for various manufacturers components
- Some set plates include ball guides, others sold individually

SHAFTS

- A wide variety of shafts available for multiple manufacturers components
- Splined and keyed available

SHOE PLATES

- Various shoe plates available for multiple manufacturers components

SWASH PLATES & SUPPORTS

- Extensive inventory of swash plates and swash plate supports available
- Multiple manufacturers stocked

VALVE PLATES

- Large inventory of replacement valve plates for many manufacturers ready to go
- Multiple sizes/styles stocked

Right When You Need Them.

VANE PUMP PARTS

BEARINGS

- Replacement bearings stocked for Vickers and Denison units
- Bearings available for multiple sizes/displacements of units

CAM RINGS

- New cam rings stocked for Vickers and Denison units
- Available in a variety of sizes per unit displacement

CARTRIDGE KITS

- Extensive inventory of replacement cart kits for Vickers and Denison units
- Standard & high pressure designs/options available

HOUSINGS & COVERS

- Replacement housings/bodies and covers available
- Available in multiple sizes/displacements and different flange configurations

ROTORS

- Replacement rotors available
- Available in a variety of sizes per unit displacement

SEAL KITS

- Hundreds of seal kits are stocked for vane products
- Available in multiple materials for different applications

SHAFTS

- Wide variety of replacement shafts available
- Options include keyed, splined, threaded, etc.

VANES

- Replacement vanes stocked for Vickers and Denison units
- Available in a variety of sizes per unit displacement

GEAR PUMP PARTS

BEARINGS

- Replacement needle bearings available for Genuine Metaris® gear pump products

GEAR SETS

- Precision heat treated gear sets available for Genuine Metaris® gear pump products
- Available in splined and keyed setups

SEAL KITS

- Replacement seal kits available for Genuine Metaris® gear pump products
- Contain o-rings, shaft seal and gaskets

THRUST PLATES

- New thrust plates stocked for Genuine Metaris® gear pump products
- Available in a variety of sizes per unit displacement

Hydraulex - A Recognized Global Leading Provider of High Quality Hydraulic Components

Products We Offer

- Inline Piston Pumps
- Radial Piston Pumps & Motors
- Bent Axis Piston Pumps & Motors
- Fixed Volume Vane Pumps
- Variable Volume Vane Pumps
- Gear Pumps
- Vane Motors
- Axial Piston Motors
- High Speed Motors
- Servo Motors
- Orbital Motors
- Directional Valves
- Flow Control Valves
- Pressure Control Valves
- Relief Valves
- Check Valves
- Stack Valves
- Servo Valves
- Proportional Valves
- PTOs (Power Take-offs)
- Cylinders
